claim is that the first party Muniamma is a permanent worker of the second party from the last many years. but the second party stopped her from work on 30th October 69 without any notice. So, the action of the second party is illegal and therefore the worker may be reinstated with back wages and continuity of service from 30th October 1969.

3. Notices were issued to the second party and in the meanwhile, both the parties have filed a joint memo of settlement on 16th October 1970. Thus, they have settled the dispute. The joint memo is accepted and therefore, in the result the following order in terms of the said joint memo is passed:—

4. The second party to reinsate the worker Smt. Muniamma into employment with effect from 17th October 1970 with continuity of service. The second party to pay Rs. 325-20 paise towards the back wages to Smt. Muniamma. There is no order as to costs.

Dictated to the stenographer, transcribed by him and pronounced by me on this 5th day of December 1970.
